

Research Seminar

The Meritocratic Moment: Talent and Education Reform in Post-war West Germany and Japan 契機としてのメリトクラシー：戦後西ドイツ及び 日本における教育改革と能力主義の展開

講師：Dr. ^{ミヒヤエル・ハウ}Michael Hau

^{ジェレミー・ブリーデン}
and Dr. Jeremy Breaden

Monash University (Australia)

This seminar explores the development of meritocratic ideas in West Germany and Japan after World War II. It sheds light on the how post-war democratic societies built political legitimacy through education reforms directed to the identification and cultivation of 'talent'. This is part of a research project aiming to develop a global history of meritocracy in the mid to late 20th century.

**The presentation will be in English but questions in Japanese are welcome.*

**発表言語：英語／質疑応答：日・英どちらも可*

日時：2019年11月20日（水）16:10-17:30
Wednesday, November 20, 2019, 4:10-5:30 p.m.
